Dear Ms. Salas,

On Wednesday February 12, 2003, James Cicconi, General Counsel and Executive Vice President of AT&T, Leonard Cali, Vice President – Law & Director Federal Government Affairs, and I met with Commissioner Kevin Martin, Daniel Gonzalez, Commissioner Martin's Senior Legal Adviser, and Emily Willeford, Special Assistant for Legislative and Public Affairs to discuss issues raised in the aforementioned proceedings. Specifically, we discussed AT&T's position on the impairment standard as summarized in the ex parte filing made by AT&T in a letter from Joan Marsh to the Commission on February 5, 2003. In addition, we discussed the NARUC proposal filed before the Commission on February 6, 2003, the presumptions contained therein and the support filed by AT&T for that proposal yesterday.

The positions expressed in the discussions were consistent with those contained in the Comments, Reply Comments and ex parte filings previously made in the aforementioned dockets. One electronic copy of this Notice is being submitted for each of the referenced proceedings in accordance with the Commission's rules.

Sincerely,

A handwritten signature in black ink, reading "Robert W. Quinn". The signature is written in a cursive style with a large, stylized "Q" and a long horizontal stroke extending to the right.
